

CLEAN AND PRISTINE PROGRAMME

SELF ASSESSMENT

Carriearl Boutique Hotel is a 4-bedroom establishment on Great Harbour Cay in the Berry Islands. All rooms are on the ground floor, on one level, with no stairs or elevators.

We already have a very strict hygiene policy, and this will be enhanced to comply with Government regulations. We have purchased hospital standard cleaning and sanitising products to be used throughout the property. Hand sanitising dispensers and sanitising wipes are positioned in key places. We have purchased PPE standard face masks which all staff will wear as appropriate.

TRANSPORTATION

Guests are transported in Carriearl's 7-seater vehicle. No guests will travel in the front seat next to the driver, and only guests, family and their immediate friends will be carried at any one time. The vehicle will be sanitised before and after every use. Hand sanitisers will be provided.

BEDROOMS

All 4 bedrooms have en-suite bathrooms. Each room has patio doors leading to the garden area, for occupants to use to avoid contact with other guests. Hand sanitisers and sanitising wipes will be provided in each room. All toiletries are single use.

The rooms will be cleaned and sanitised every day, but only when guests are not present. Only our Housekeeper will be allowed in the bedrooms. When guests depart, the rooms will be left closed for 24 hours and then all bed linen etc. will be fully sanitised. All surfaces will be cleaned and sanitised.

DINING

There are 3 dining areas. One dining room with patio doors to the bar area. The second dining room next to the bar with electric blinds overlooking the swimming pool. The third dining area is poolside. All three Restaurants have tables placed 2 metres apart.

We do not serve buffets. We will provide one-time use Menus, and all glasses, china and silverware are washed in our dish/glass washers at 180 F. We provide linen napkins, and these are washed after every service. Tables and chairs will be sanitised after every use.

We will operate a 'Reservation Only' policy. No 'walk ins'. All food and drink orders will be taken at the correct social distance.

LOUNGES

We have 5 comfortable lounge areas so that guests can social distance. All have soft furnishings which will be cleaned as appropriate. All wooden surfaces and tables will be cleaned and sanitised after every use.

There will be not 'at the Bar' service.

SWIMMING POOL

Our pool is freshwater, cleaned, filtered and the Ph checked on a daily basis. Guests are instructed to shower before entering the pool.

The loungers and chairs around our pool, and on the beach will all be situated 2 metres apart. Guests will be asked to place a towel on the chairs before use.

Only Hotel guests have permission to use the pool and the numbers of guests using it at any one time will be monitored to allow for social distancing.

KITCHEN

Our kitchen is deep cleaned every week. There is a station for food service and another for dirty items. Our Chef is dedicated to food service and we have a designated pot washer.

STAFF TRAINING

All our staff have already been trained to our very high United Kingdom standards and will adhere to the enhanced Bahamian Government regulations.

GUEST HEALTH CHECKS

We are led to believe that all guests arriving at the airport or marina will have their temperature checked. Please confirm this to us.

We will make every effort to ensure the health and safety of our staff and guests, in accordance with all regulations issued to us.
